

2018 U.S. TAX REFORM WORKSHOP

with Dr. Mark Feigenbaum

The United States recently passed the largest tax bill in more than 30 years, which includes 1,300+ pages of relevant changes for U.S. citizens and companies in Canada and Canadian companies doing business in the United States. This seminar will simplify all of the relevant changes and offer planning tips for affected individual and corporate taxpayers from a Canadian perspective.

Topics to be covered include:

- Rate Changes
- Corporate Taxation Changes
- Pass-through Taxation
- Individual Tax Changes
- Territorial Taxation
